Notice regarding Completion of Additional Investment to Rehab for JAPAN

Ono Digital health Investment, GK. (a wholly-owned subsidiary of Ono Pharmaceutical Co., Ltd., “ODHI”) today announced that it has completed the additional investment to Rehab for JAPAN INC. (Chiyoda-ku, Tokyo; Representative Director & CEO, Ryo OKUBO, “Rehab”).

Rehab is a start-up company that aims to realize "evidence-based scientific caregiving" toward a world where more elderly people can live happier and longer lives by living healthy and long lives (extension of healthy life expectancy), with a vision of “bringing dreams and excitement to all people involved in caregiving”. Rehab has been operating three businesses such as the rehabilitation SaaS business, caregiving data business and online rehabilitation business in the caregiving field.

ODHI was established in March 2022 as a corporate venture capital (CVC) to invest in venture companies in the healthcare field other than the pharmaceutical business. ODHI is committed to extending healthy life expectancy and realizing a sustainable society through the investment in and collaboration with promising venture companies both in Japan and overseas.
